

Activity Calendar (Session 2017-18)

Sr. No.	Month	Department	Date	Activity	Activity Proposed for
1	August 2017	Civil Engineering	22 nd August	1 day workshop on Total Station	Students
2	September 2017	Electrical Engineering	4 th -9 th September	5 days workshop on PCB designing	Students
3		ECE/ETRX	14 – 15th September	2 days workshop on PCB design	Students
4		Computer Science & Engineering	19 th – 21 st September	3 days workshop on Personality Development	Students
5		Mechanical Engineering	20 th – 22 nd September	3 days workshop on Non Destructive Testing	Students
6		October 2017	Mechanical Engineering	6 th -7 th October	2 days workshop on SPSS
7	November 2017	Mechanical Engineering	17 th -18 th November	2 days Staff development program	Non Teaching Staff
8		Civil Engineering	18 th November	1 day workshop on MS office	Non Teaching Staff
9		Computer Science & Engineering	20 th -25 th November	6 days STTP on Big Data Analysis & Statistics	Faculty
10		ECE/ETRX	29 th November	1 day training session on Electronics Instruments	Non Teaching Staff
11	December 2017	Civil Engineering	4 th – 9 th December	6 days STTP on Green Building	Faculty
12		Electrical Engineering	14 th –16 th December	3 days workshop on Recent Trends in Microcontroller and Power Electronics in Power System	Faculty
13			15 th December	Seminar on safety measures	Non Teaching Staff
14		Computer Science & Engineering	18 th -19 th December	2 days workshop on 1.Hands on workshop on "Hardware and Networking" 2.Professional Motivation and Work Ethics	Non Teaching Staff

15		First Year	27 th December	1 day competition on online Mathematical objective Test	Students
16		College level	27 th December	Impetus	Students
17	28 th -30 th December		Umang		
18	January 2018	Civil Engineering	9 th -14 th January	6 days workshop on software	Students
19		ECE/ETRX	17 -19 th January	3 days workshop on Introduction to Network Simulator	Students
20		First Year	20 th January	1 day competition on Model making/Poster Presentation	Students
21		Electrical Engineering	25 th January	1 day event OORJA	Students
22	February 2018	Computer Science & Engineering	13 th -16 th February	4 days workshop on Project development	Students
23		Electrical Engineering	23 rd February	1 day National Conference	Faculty & Students
24	March 2018	First Year	2 nd -3 rd March	2 days workshop on Academic Performance Improvement	Students
25		Mechanical Engineering	3 rd March	Project competition	Students
26		Civil Engineering	6 th -7 th March	2 days National Conference on Engineering, Science and Technology	Faculty
27		Mechanical Engineering	26 th – 31 st March	One week FDP on MATLAB	Teaching/PG students
28	April 2018	First Year	9 th -14 th April	6 days FDP on Recent Developments in Applied Sciences	Faculty
29		ETRX & ECE	10 th April	1 day Spoken Tutorial (Online SELF Training, IIT Bombay)	Faculty
